CHILD SAFE POLICY

March 2016

VISION STATEMENT

St John's School strives to be a community where...

- Students build a relationship with God and Jesus' teachings are modelled and lived.
- The total development of each person is nurtured; cultivating mind, spirit, body, character and imagination.
- Home, school and parish work in partnership to create a vibrant learning community.
- Difference is valued, risk-taking is encouraged and achievements are celebrated within a safe and supportive environment.

1.0 PURPOSE OR RATIONALE

This policy was written to demonstrate the strong commitment of the whole school community of St. John's School Euroa, leaders, staff, volunteers, students, their families, to child safety and to provide an outline of the policies and procedures developed to keep everyone safe from harm, including all forms of abuse.

2.0 COMMITMENT TO CHILD SAFETY

All students enrolled, and any child visiting, have a right to feel safe and be safe. The wellbeing of children in our care will always be our first priority and we have zero tolerance to child abuse. We aim to create a child safe and child friendly environment where children feel safe and are free to enjoy life to the full without any concern for their safety.

3.0 CHILDREN'S RIGHTS TO SAFETY AND PARTICIPATION

The staff and volunteers of St. John's School Euroa encourage students to express their views. We listen to their suggestions, especially on matters that directly affect them. We actively encourage all students to openly express their views and feel comfortable about giving voice to the things that are important to them.

We teach students about what they can do if they feel unsafe. We listen to and act on any concerns students, or their parents or carers, raise with us.

Programs and strategies used to develop these skills in students include, (but are not exclusive to):

Protective Behaviours Program South Australia
Positive Behaviour intervention Systems (PBIS)
Bravehearts
Life Education Van
Life Relationships Program
Bullybusters
Behaviour Audit
Behaviour Management Policy strategies

4.0 VALUING DIVERSITY AND INCLUSION

We value and celebrate diversity, especially cultural diversity, and we do not tolerate discriminatory practices. To achieve this we:

- promote the cultural safety, participation and empowerment of Aboriginal students and their families
- promote the cultural safety, participation and empowerment from culturally and/or linguistically diverse backgrounds (CALD) and their families
- promote the personal safety, participation and empowerment of students with a disability and make them feel welcome and part of all aspects of school life

5.0 RECRUITING STAFF AND VOLUNTEERS

St. John's School Euroa will apply the most thorough and rigorous standards in the recruitment and screening of staff and volunteers. We interview and conduct referee checks on all staff and volunteers and require police checks and Working With Children Checks (WWCC) for all staff and volunteers. Our commitment to Child Safety and our screening requirements are included in all advertisements for staff and volunteer positions. Refer to St John's Recruitment Policy.

6.0 SUPPORTING STAFF AND VOLUNTEERS

St. John's School Euroa provides support and supervision to all staff and volunteers so people feel valued, respected, affirmed in their work and fairly treated. We have a Code of Conduct to provide guidance to our staff and volunteers, all of whom receive training on the requirements of the Code. Refer to our Code of Conduct.

7.0 REPORTING A CHILD SAFETY CONCERN OR COMPLAINT

Our school records any child safety complaints, disclosures or breaches of the Code of Conduct, and stores the records in accordance with security and privacy requirements. Our complaints and disclosure processes are outlined and detailed in the following policies and procedures

- *Child Safe Reporting and Responding Policy*
- *Complaints & Disclosure Policy*
- *Disclosure of Abuse or Harm Procedure*

St. John's School Euroa has appointed the principal and pastoral wellbeing leader as Child Safety Officers with specific responsibility for responding to any complaints made by staff, volunteers, parents or students in relation to Child Safety.

8.0 RISK MANAGEMENT

Risk management is an approach that minimises the potential for child abuse or harm to occur. Our Risk Management Plan outlines and details all aspects of risk across our whole school environment (on site and off site school activities) with specific activity risk assessments. In addition to our general Occupational Health and Safety (OH&S) risks, we proactively manage risks of abuse and harm to our students.

9.0 POLICY REVIEW

This policy is reviewed every three years and we undertake to seek feedback from students, parents, carers, staff and volunteers.
