

F.I.R.E. Carrier Covenant est. 2021

### **Covenant**

We recognise the special place and culture of Aboriginal peoples within Australia. We acknowledge that Aboriginal peoples have been the caretakers of this Land for more than 60,000 years. We respect their spiritual connection to Mother Earth through the Dreaming.

'An apology begins the healing process. Apology means understanding, a willingness to enter into the suffering. It implies a commitment to do more'. The late Sir Ronald Wilson, Chair of the National Inquiry into the removal of Aboriginal and Torres Strait Islander children from their families.

We understand that practical measures need to address the disadvantage experienced by Aboriginal people in education, health, employment, and general opportunity.

"Reconciliation is an active pursuit – it's about getting on with what's needed and what we know to get the results we all want, and that's a mixture of measures that target the body, the mind and the spirit." Mick Dodson, Australian of the Year, National Press Club address, 17 February 2009

True Reconciliation requires national and local solutions achieved through positive and purposeful partnerships not just for today but for tomorrow. We work for Reconciliation, in partnership with those who believe that there can be an alternative to the present order.

Covenants emphasize the ethos and faith belief of Catholic schools and the Social Justice response they are committed to make as part of their Christian identity. Schools' expressed commitment is reflected in practical goals and actions which they strive to achieve in the year ahead.

School covenants express in ways, specific to each school, recognition of the special contribution Aboriginal peoples and their cultures make to Australian society, their relationship and connection to the land, their present position of disadvantage and social exclusion. They

declare the school and school community's commitment to stand in solidarity with Aboriginal peoples to achieve true reconciliation and acknowledgement, by all Australians, of their rightful position within Australian society. (*firecarriers Sandhurst.pdf*)

### **Our School**

Our vision for reconciliation is to be a place of learning and teaching that respects Aboriginal protocols, history and culture. We will have strong and mutually beneficial relationships with Aboriginal communities. These relationships will provide for the sharing of knowledge and ideas, and the opportunity to listen and learn from Aboriginal Australians about the past, their current circumstances, and their vision for the future. We will be a place where Aboriginal culture is respected and celebrated.

### **Our Covenant**

Our covenant was originally developed by students, staff and the Aboriginal Education Team at Sandhurst. Our school community was presented with ideas for Reconciliation in our local community by the Sandhurst Aboriginal Team, who were and are involved in the continuing development of our Covenant.
